

You're Welcome Here

The world may be changing but some things never change. People naturally like to bank where they feel welcome. Where they're not just a number. Where their business is appreciated.

The people at Old Fort Bank believe strongly in serving our clients well. We take the time to really know our clients, providing the kind of personal service that makes them feel right at home.

When you come in we make it a point to personally greet you and answer any questions you might have about the services we provide. We'll show you the right savings plan, or the personal or commercial loan that will work best for you. And we'll do it with all the assurance of a strong and stable community bank.

If we sound like your king of bank, please stop in and see us. Think of us as someone you can depend on. We'll work to provide you with all the important services only a community bank can offer, helping you achieve your dreams and goals, today and tomorrow.
